

# Costessey Memories

Costessey Memories has not been able to have a meeting since March 2020, I have been communicating by phone with a number of our members though out the pandemic. I am actively working on completing the fourth memories group photo album and Paul has finished the Xmas documentary (featuring my Xmas holiday experience during 1947) which we hope to show at Xmas this year. We have also had the sad passing of one of the Memories group founder members Michael Fitt in January 2021.

We are hoping, if it is possible, to start up the Costessey Memories group in September or October time; by this time we are hoping most restrictions will be lifted and most of the community would have been vaccinated.

We would like to thank all our members for their continued support and hope to see you all again soon.
