

Dear Customer

Important roadworks information

A47 Acle Roundabout to Great Yarmouth – safety improvements

Following a formal statutory process, I am writing to let you know that we're reducing the speed limit on the A47 between Acle Roundabout and Great Yarmouth in the following section:

- Between Acle Roundabout and Great Yarmouth from the National Speed Limit of 60mph to 50mph.

Work also includes the installation of speed limit signage and four new average speed cameras to enforce the new speed limits. We are not responsible for the enforcement of speed limits, that responsibility lies with the relevant police force.

This location was chosen based on collision and risk assessment data. This scheme aims to improve safety for all road users by reducing the number of people harmed on this route.

We are planning to start work on **Monday 17 March 2025**. This will last approximately **9 weeks**. We will work overnight between **8pm** and **6am** on **weeknights only**, weather permitting.

During the first week, we are combining our planned road closures with those needed for the nearby A47 Blofield to North Burlingham project, to reduce the amount of roadworks and disruption to road users.

Closures and diversions

To carry out the work safely, we will need to close the A47 and divert traffic as follows:

Closure	Dates	Diversion
<p>A47 Cucumber Lane roundabout to A47 Runham Roundabout Great Yarmouth</p> <p>(A47 Acle safety improvement project and A47 Blofield to North Burlingham)</p>	<p>Monday 17 to Friday 21 March</p> <p>(overnight 8pm to 6am)</p>	<p>Traffic travelling eastbound on the A47 towards Great Yarmouth will exit the A47 at Trowse Interchange onto the A146 southbound.</p> <p>Continue on the A146 to the A143.</p> <p>Follow the A143 northbound towards Bradwell.</p> <p>Exit the A143 and rejoin the A47.</p> <p>Traffic travelling westbound on the A47 will need to follow the same diversion as above, but in reverse.</p> <p>Local diversion at Acle</p> <p>Traffic can use the A1064, Caistor Bypass to Great Yarmouth and the same in reverse.</p> <p>(Map 1)</p>
<p>A47 Acle Roundabout to Runham Roundabout Great Yarmouth</p> <p>(A47 Acle safety improvement project)</p>	<p>24 March to mid-May (overnight 8pm to 6am)</p>	<p>Traffic travelling eastbound on the A47 towards Great Yarmouth will exit the A47 at Trowse Interchange onto the A146 southbound.</p> <p>Continue on the A146 to the A143.</p> <p>Follow the A143 northbound towards Bradwell.</p> <p>Exit the A143 and rejoin the A47.</p>

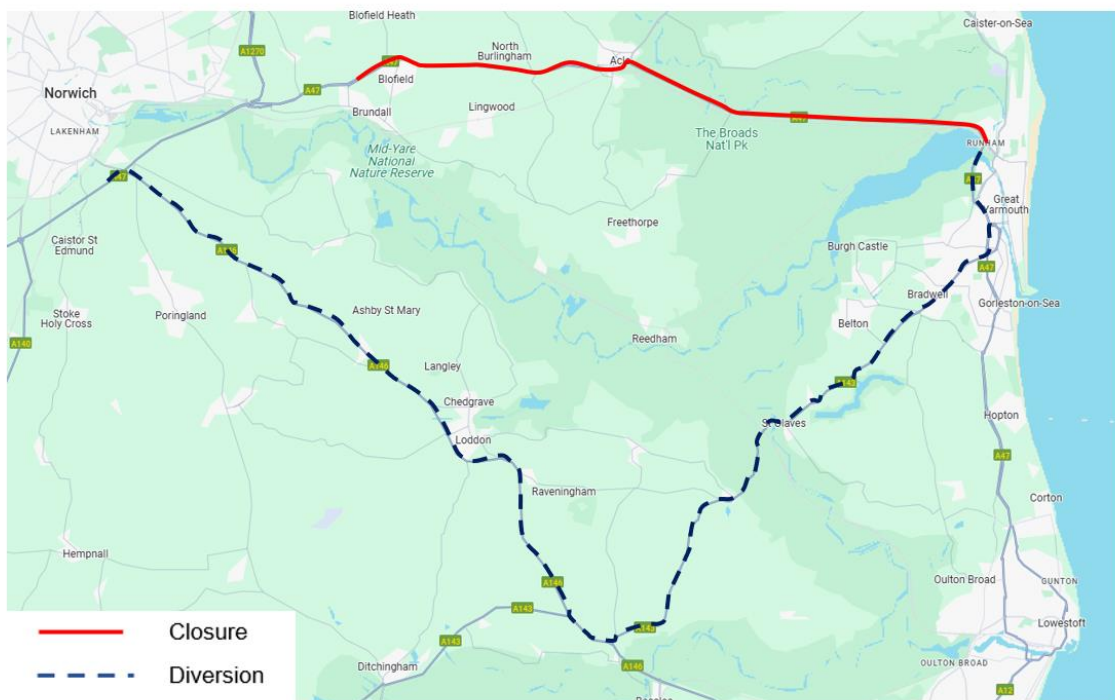

Traffic travelling westbound on the A47 will need to follow the same diversion as above, but in reverse.

(Map 2)

A map of the diversions can be found below.

Laybys between Acle Roundabout and Runham Roundabout along the A47 will be closed 24/7 while we introduce the speed limit reduction and install the new variable speed cameras.

Drivers are asked to follow the signed diversion routes during the road closures. All diversion routes are agreed with the local authority. Please do not use satellite navigation (sat nav) when following the diversions, as they may provide conflicting information.

How to find out more

Please visit our dedicated webpage which will be updated regularly throughout the work and where you can sign up for updates: <https://nationalhighways.co.uk/our-roads/east/safety-schemes-in-the-east-region/>

Other work in the area

As mentioned, while we are installing new average speed cameras on the A47, we are also working on the A47 between Blofield to North Burlingham. We are co-ordinating the projects on the A47 to help reduce overall road closures and delays to your journey.

Find out more about the planned work on the A47 between Blofield to North Burlingham, see road closure dates and sign-up for alerts
